

STATION EXPECTATIONS

Discuss to Learn)))

DO

DON'T

DON'T TOUCH THE YETI :)

1. If you need help with the Yeti, ask Ms. Detterich right away.
2. Don't turn any knobs on the Yeti, you might hurt your ears or anger the Yeti. When in doubt, ask Ms. Detterich.
3. Use Photobooth, Screencast-Omatic, or Garage Band to record your discussion. If you want to use another program, ask first.

STATION EXPECTATIONS

MAPPING to LEARN :)

1. ALWAYS READ THE PACKET AND DIRECTIONS FIRST!
2. DO NOT BANG ON THE WALL, THERE'S A CLASS BEHIND IT.
3. Speak quietly, you are collaborating but others are working independently.
4. Be critical of your learning and understanding of the topics at all times.
5. BE MINDFUL THAT YOU ARE ALSO LEARNING ABOUT GEOGRAPHY!

STATION EXPECTATIONS

WRITING STATION to LEARN :)

1. ALWAYS READ THE DIRECTIONS AND READINGS FIRST!
2. This is an INDEPENDENT STATION. Do little to NO talking with your neighbors. If you have any questions, ASK 3, THEN ME :).
3. **Be mindful of the writing style you are using.** For example, if you are writing an argument, then include a claim, evidence, reasons why the evidence supports your claim, and a conclusion/significance. If you are practicing Cornell Notes, use the format that you have been taught.
4. **You are responsible for the quality of your work,** so use any rubrics, sentence frames, sentence starters, thinking maps, and/or organizers you know.

Always try to do
your best work!
