

Show your thinking!

Annotate

1. As you think of them, **jot down** questions, connections, and predictions in the margins.
2. **Draw symbols** or doodles that help you visualize what you are reading.
3. **Define or simplify** words by writing synonyms above those words.
4. **Draw arrows** from context clues to the words they help you to define.
5. **Circle** facts and ideas that you think are important to understanding the document.

Annotation should be personal to you. Find your style and stick to it. If you need ideas, ask three then me.
